Dear Members of the Rotary and all Contributors,

On behalf of the Franklin Regional families, community, staff, and students, we would like to thank you for the tremendous support. From back packs, to refrigerator to handmade sacks and terrific goodies you all do amazing work. The extras we were able to give to the backpack students were tremendous. The time spent in double siding the sweet goodie bags was much appreciated. The

costly treats inside each bag for our good little boys and girls were thoughtful and generous. All were delighted I am sure to receive the legos and LOL dolls which are both hot ticket items this year. The cost of those extras can add up and our families who receive back-pack support can't typically add those extras to their shopping carts. What an awesome treat.

Thank you for your continued support for the Franklin Regional back-pack program. Without your support we could not provide the many meals and snacks to the students across the district. Your efforts are deeply appreciated and we thank you again!
