

# The Gasser

Murrysville - Site of the First Commercial Gas Well

Week of February 4, 2019

World Understanding Month

District 7330, Club 5241

A good time was had by all at our January Social. As it was the fifth Wednesday, there was no meeting but we gathered at Devout in the Bushy Run Corp Park for a vocational gathering and to welcome the new brewery. Occasionally there are food trucks, but we were fed by the Lamplighter and Andrew's taco bar. We then had a beer flight and learned about several of the brews which included tasting! (The first beer served and #1 on the board was the general favorite, but I was hooked on the chocolate coffee dark beer. Rather different and much like an after dinner drink.) We then took a tour of the back rooms and the brewing facility. I am sure we will taste one at the Night of the Races dinner! Many guests attended the event and we hope to see them again.
